Economical Desserts

Salads From Left-Overs

Meat or Chicken Scrape in:

Aspic Jelly

Jiffy-Jell is the only product which serves these uses well. It is the only golatine dainty with true-fruit flavors, highly concentrated, sealed in glass vials.

These bottled flavors do not less their fresh-ness. They give to Jiffy-Jell a wealth of fresh-fruit taste. Thus Jiffy-Jell desserts and salada taste like fruit-made dainties.

You make Jiffy-Jell by simply adding boil-ing water, then the flavor from the vial. One package makes dessert for six. If you whip the jell it serves twelve.

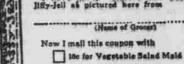

With Lime or Mint Jiffy-Jell you can make delicious salads, restful and groun Use left-overs in cooked vegetables. Or use fresh vegetables.

Mix in meat scraps with these flavors and you have a jellied meat loaf. This is a delightful way to save waste.

Millions now use Jiffy-Jell as a con-servation dainty. They get fruity des-serts and salads of the finest sort, at trifling cost, without using sugar or flows.

We want you to know what it mean to you. See how it differs from old-style

fruit dessert.
